Winter 2010

**Catnip**  
Catnip Australia Pty Ltd

Hello All.....

It's getting to the cold part of the year so we are happy to have the office heaters on and for the extra cuddles (*apparently we are great lap warmers!*)

We are busy in the office as our photos show, it's hard work being gorgeous and the supervisors!

Oh, we've tried the new scratching posts and beds out and they have our approval!

## Letter from the Editor

Hi Everyone!

We are very pleased, not to mention very proud, to now carry the **Australian Made** logo. You will see the tag and stickers on all our products from now on. This along with the endorsement of the RSPCA gives you peace of mind in knowing you are ordering a great product!

We have a special for the winter months giving away a free cat bed or scratching post for all orders over \$1,000. Orders over \$1,800 also go into the draw for a large scratching post drawn each month for June, July & August as well as a free scratching post or cat bed.

## Be a responsible pet owner..... its the right thing to do!

### Some interesting facts about cats...

Cats have a special scent organ located in the roof of their mouth called the **Jacobson's organ**. It analyses smells and is the reason why you will sometimes see your cat 'sneer' when they encounter a strong odour.

In relation to their body size, cats have the largest eyes of any mammal.
